# Writtle Seminar 2008

## Project Management and Leadership

Writtle College, Chelmsford 28th – 30th August 2008

The objective of each Writtle seminar is to provide an invaluable insight into the chosen topic with a variety of perspectives from a range of speakers. This year the theme is 'Project Management and Leadership', which will include presentations and workshops covering topics including:

- Introduction to Project Management
- Project Management of Health and Safety
- Forms of Contract / Procurement
- Leadership and Communication
- Strategic Project Management
- Project Management of Programming and Finance

In addition to providing an insightful programme of speakers and practical workshops, this seminar is recognised as contributing towards Development Objectives C1, C2, C3, C5, D1 and E2.

In keeping with the Writtle tradition for high quality seminars at competitive prices, this year's seminar is only £275 + VAT, which includes two days of presentations, discussions and workshops, en-suite accommodation and all meals including the opening dinner on 28 August 2008. Please contact:
